Update: Revised update regarding last days of school

Skyline Prep Family,

We have received further clarification from the Arizona Department of Education and the Arizona State Board for Charter Schools regarding school closure days. We have met the required hours for instruction per Arizona Revised Statutes and have received administrative approval from the Arizona State Board for Charters Schools to end school per our original schedule. The last day of the school year will be Thursday May 31, 2018. Summer School will also begin on the originally schedule days. Please see the attached school calendar and summer school schedule, which is also available on our website.

Thank you for your continued patience and understanding during this process.

Warm Regards,

Tasha Gant, M. Ed
